The Alumni Association is moving towards an inclusive community where all UMSL graduates are valued members of the UMSL Alumni Association simply by virtue of their UMSL degree. Annual dues will no longer be a requirement of membership as of July 1, 2015.

As partners, the University and the Alumni Association are working together to ensure sustainable resources are invested in alumni engagement to nurture and celebrate lifelong relationships that are mutually beneficial for the alumni and the University.

The UMSL Alumni Association Endowment is a vital part of the future revenue stream that will sustain quality alumni engagement efforts.

Build and strengthen relationships with students, alumni, faculty and friends.

Communicate with alumni about UMSL and spread the knowledge that UMSL and UMSL alumni are important in the state, nation and world.

Deliver a broad-range of programs that engage alumni in the life of the University and enrich alumni both personally and professionally.

Provide opportunities for alumni to advocate for their University.

Build a strong and bright future for the University of Missouri-St. Louis that sustains the reputation of the university and increases equity in the degrees held by every graduate.

Ensuring engagement for generations of UMSL Alumni
We believe UMSL alumni represent the past, present and future of what UMSL is all about.
